Is the Gun Marked with a No Fire Counter?

- Notes:**
- This chart assumes CA change is possible.
 - Some Guns cannot IF. Consult the Ordnance Notes in Chapter H.
 - An unmarked Gun is marked with a fire counter according to the fire phase. This is most important in Final Fire.
 - A Gun which uses OVR Prevention is Marked with a No Fire counter and may not fire again that player turn.
 - Only Gun marked "Opportunity Fire" can IF in AFPh. Recall, AFVs cannot be marked Opp Fire.
